Stage

To encourage your members who are non (handicap) golfers we propose our "Learn to Golf" package at either Golf de Pierpont or Golf Club Enghien. This package costs 395€ and includes:

- 10 x ½ hour private lessons
- 3 months temporary membership with access to all practice facilities,
- Access to the 9-hole Petit Pierpont
- An 8-iron golf club.

Beginners

For the beginners in your club who want to improve their golf on the 18 hole Grand Pierpont, we can propose to come and play in a group at either Golf de Pierpont or Golf Club Enghien, on Monday and Wednesday mornings between 9h00 and 10h30. For obvious reasons, it is preferred that the beginners are accompanied by experienced golfers. The "Greenfee Grand Pierpont 2015" applies.
